

Bethany Life Group Discussion Questions

May 26, 2019 - "Anger"

Get to Know You Questions

1. Play "2 Truths and a Lie." Every member says three statements about themselves. Two statements are true and one is a lie. Every other member has to guess which statement is the lie.

Going Deeper Questions

1. Think about anger defined as "a destructive force released out of defense of something you love." When was the last time you got angry and what was the focus of your love?
2. Why would calling someone "fool" put you at risk of the "hell of fire" as stated in Matthew 5:22? What does this make you think about how Christians handle conflict and disagreement, specifically as we see many times on social media?
3. Why does Jesus seem to value reconciliation with your brother or sister over worship (see Matthew 5:23-24)?

Application Questions

4. Looking back over the last four weeks at the passages we have covered in the Sermon on the Mount, share some ways that you find Jesus' words difficult to live up to?
5. Does the way you live your life look different than those around you that do not know Jesus? If yes, how so? If not, why do you think that is?
