

# “We Are the Church” Sermon Series

## Lifegroup Discussion Questions

---

### September 29, 2019 – “Corporate Worship”

#### Get to Know Each Other

1. If your house was burning down and your family was already safe, what would you grab if you had time to grab just one last thing, and why?
2. What do you feel is one of your primary giftings or roles within the body of Christ? How do you, or could you, use that gift/role within Bethany Church’s body?

#### Going Deeper

3. What does singing in worship mean to you? How did this message contribute to your perspective?
4. Romans 12 talks about us offering our whole lives as living sacrifices, and that this is our spiritual service of worship. How does specifically corporate worship through song fit into or contribute to this greater lifestyle of worship?
5. Are there times in your life when you have resisted attending worship services? If so, why? Looking back on those times, would you do things differently now? Why or why not?

#### Application

6. In what ways could you prepare yourself better to truly enter into corporate worship and not just be “going through the motions”?
7. Pray as a group that each member would grow in the desire of their own hearts to exalt God corporately, and that barriers hindering them would be removed.
